extent and compieteness of its sketches, or the accuracy of its statements. It is prepared under the sanction and approval of the Sanitary and Christian Commissions, and is, therefore, the standard work on the subject. The variety of its sketches gives it a charm that causes every reader to be interested and delighted with it. Our terms are liberal, and the demand for the work is so great that energetic agents easily make from \$150 to \$200 per month. The work is just assued and the field is new.
